**Golden Circle Nutrition Program
A Program of Silver Key**

For reservations only:

(719)884-2304 before 2 p.m. at least one day prior to dining

The Golden Circle Nutrition

Program (GCNP) is a program of ***Silver Key***

The program provides nutritious meals in a congregate social setting to eligible diners and does not discriminate on the basis of race, color, national origin, sex or religion.

All meals are prepared to meet ⅓ of the recommended dietary allowance (RDA) for seniors.

The program also provides a monthly Nutritional Education newsletter.

Our Mission is to...

- promote good health through proper nutrition
- reduce loneliness by offering the opportunity to socialize and be with others
- add quality of life to diners

Funding and how the program

works:

The GCNP receives funding from federal and state grants, the City of Colorado Springs, City of Manitou Springs, Title III of the Older Americans Act and from generous donations. The Pikes Peak Area Agency on Aging, local churches and charitable individuals in the community also contribute valuable resources to the program.

Who is eligible?

- Anyone 60 years of age or older
- The spouse of an eligible diner
- Disabled persons under 60 years of age who reside in housing facilities occupied primarily by older adults and at which congregate nutrition services are provided

How much do meals cost?

The suggested donation for eligible diners is \$2.25, but no eligible person is denied a meal because of inability to give.

Donations are used to offset the cost of meals and expand the program to more seniors. For convenience, the GCNP accepts food stamps. If a friend or family member less than 60 years of age would like to join an eligible diner for lunch, they are welcome to do so.

The **guest fee** for a non-eligible diner is \$7.31.
