

We're hosting a

Necessities Drive

Benefiting

What does Silver Key need?

Silver Key serves thousands of seniors in the greater Colorado Springs area with a variety of services to help adults age 60+ maintain independence, safety, and quality of life. A challenge Silver Key faces is keeping their pantry stocked with basic necessities. This is where you can help by donating to our Necessities Drive. We will collect not only food, but also everyday items such as soap, pet food, and tooth brushes.

Why should you donate?

Silver Key relies on the generosity of neighbors and businesses to keep their pantry stocked. Donating to our Necessities Drive is a great way to support your community and help seniors remain independent.
