

Your help can make this summer one of improved health, security and independence for area seniors.

Dear Friend,

Sometimes, especially in the summer, we all can get so busy living life to the fullest that we may lose sight of those who are no longer able to do so. For seniors throughout our community **Silver Key Meals on Wheels, delivered by caring volunteers, means the difference between a day filled with hunger and isolation or a nutritious meal, friendly visit and safety check that helps them cope and remain independent.**

Your continued support of Silver Key through a financial gift will help us serve area seniors in real need of a daily hot meal and a moment of companionship. As you can tell from these recent Meals on Wheels client comments, the positive impact of your donation on their daily lives is significant and meaningful!

- "Meals on Wheels is a wonderful program. I have been so sick the last 2 years. This program SAVED me. Food is great. Just the right amount for a meal. Great meal ideas. I'm treated with respect from everyone."
- "When you are a senior, you live on a limited income. Food is very expensive. With Meals on Wheels you help us so much. Thank you."
- "If it wasn't for Meals on Wheels and Silver Key I wouldn't have any healthy meals. They not only bring me a nutritious meal but moral support, too. At Christmas I was brought a lovely unexpected gift. On Valentine's Day I was brought cards and posters. It made me feel somebody cares. They are very important to senior citizens. You make a difference."

On behalf of all seniors served by Silver Key, we can't thank you enough for your ongoing financial support. **We hope we can count on you to give generously and help make this summer one of improved health, security and independence for area seniors.**
