Frequently Asked Questions

Q: Is Silver Key an eligible nonprofit?

A: Yes! Silver Key is an eligible nonprofit for this program.

Q: What does the taxpayer have to do to give their refund to your organization?

A: Currently, Coloradans may donate their refund to organizations and funds listed on the "Voluntary Contributions" Schedule. Taxpayers should look for the new additional option of "Donate to a Colorado Nonprofit Fund" on that schedule and insert all three of the following:

- 1) Nonprofit's name: **SILVER KEY SENIOR SERVICES, INC**
- 2) Nonprofit's Secretary of State CCSA Registration Number (not the EIN) Both name and number are required to accurately make sure that the nonprofit the taxpayer intended gets the donation:
Registration # 20083011643
- 3) Amount of donation

Please note: Different tax filing software programs (like TurboTax) will display prompts for tax filers getting refunds in various ways and donors will have to look for "Donate to a Colorado Fund." If a donor is using a tax preparer, like H&R Block or a CPA, the donor will need to inform the tax preparer to include the nonprofit's name, CCSA registration number and amount.

Q: How does the process work?

A: When making a donation through Donate to a Colorado Nonprofit Fund the taxpayer can:

- 1) Only designate ONE write-in nonprofit
- 2) Give all or a part of their refund
- 3) Only give up to the amount of their total refund (donations over the refund are void)

Q: When will my selected non-profit receive my donation?

A: Your selected non-profit will receive your donation, sometime after July 1, the State of Colorado will send your nonprofit a check for all of the donations they received through Donate to a Colorado Nonprofit Fund.

Please note: The Department of Revenue will publicly report the total amount of donations taxpayers made through Donate to a Colorado Nonprofit Fund, and may also publicly report the total donations given to each eligible organization.

Frequently Asked Questions

Q: Will my selected nonprofit receive my name and other directory information to thank me?

A: NO! Your selected nonprofit will **NOT** receive donor names or other directory information. State law makes Individual taxpayer information confidential and prohibits the Department of Revenue from releasing any individual identifying information. For that reason, you will not receive any acknowledgment of your Colorado Nonprofit Fund from the nonprofit that you gave to.

Please Note: If a taxpayer makes a contribution through Donate to a Colorado Nonprofit and needs a written acknowledgment from the nonprofit to deduct the contribution on their federal taxes or to claim a Child Care Contribution or Enterprise Zone state income tax credit, the taxpayer will need to demonstrate to the nonprofit that they gave through Donate to Colorado Nonprofit. The taxpayer can choose to release their own tax information. They can send the selected nonprofit their completed Voluntary Contributions form or any other proof that is satisfactory to the nonprofit to fulfill their own reporting responsibilities.
