

Silver Key Senior Services is now an official partner with AARP Foundation's Property Tax-Aide program.

Together, we are offering a free service to help older adults in your community get property tax relief, and we need YOU.

**Are you someone who:**

- Appreciates volunteering and supporting your peers?
- Has experience working with tax programs? (A plus but not required!)
- Wants to gain new skills, knowledge, and a network of acquaintances?
- Enjoys participating in outreach within your community?

**Then this may be the opportunity for you!**

Silver Key Senior Services is looking for volunteers to make a positive community impact by helping older adults connect to resources that can make it easier for them to continue living in the homes they love. Contact us to find out how you can become a volunteer today!
