SUMMER 2024

Dear friends of Silver Key,

On May 16th, we hosted our Senior Summit, an event that exemplified our commitment to serving and supporting our senior community. With 1,200 attendees and over 70 senior resource tables, the Summit was a resounding success.

The event was more than just a gathering; it was a celebration of our collective efforts and a testament to what we can achieve when we come together. The wealth of information and resources provided at the Summit was invaluable. The diverse range of resource tables offered something for everyone, ensuring that our seniors and their families could find the support they need.

I would like to extend a heartfelt thank you to all the volunteers, vendors, sponsors, and staff who made this event possible. Your hard work and dedication are the backbone of Silver Key, and it is because of you that we can continue to offer such impactful programs and services.

In addition to the success of the Senior Summit, I am thrilled to report on the achievements of our Senior Sunrise fundraising breakfast. Thanks to your contributions, we will continue to enhance our programs and reach even more seniors in need.

The success of these events is a reflection of the strong and compassionate community we are all a part of. Your participation, whether through attendance, volunteering, or donations, plays a crucial role in driving our mission forward. It is through your continued support that Silver Key can provide essential services such as transportation, meal programs, and comprehensive senior assistance.

As we move forward, I am excited about the future and the many opportunities we have to make a difference. In fact, I hope you will join us in the fall when we open our new senior apartments that will be located right next to our campus and will help affordably house another 50 seniors including 13 veterans.

Together, we will continue to ensure that our seniors receive the respect, care, and support they deserve. Thank you once again for your unwavering support and for making these events unforgettable. Let us continue to build on this momentum and work towards a brighter future for all seniors in our community.

With gratitude,

Jason DeaBueno

SOME UNFORTUNATE NEWS...

Regrettably, not all news can be positive. In May, our headquarters on S. Murray was broken into and several items, including computers and IT equipment, were stolen.

Despite this unfortunate incident, we have continued and will maintain normal operations. These are challenging times, but at Silver Key, we are committed to being a safe and secure environment for all our members, volunteers, and staff.

APARTMENTS UPDATE

We are pleased to share some exciting updates about Silver Key's affordable housing project.

If you haven't already heard the Silver Key Apartments will be a 50-unit affordable housing development for individuals aged 62 and older, with 13 units specifically designated for veterans. It is conveniently located adjacent to the Silver Key headquarters on S. Murray, where residents will have easy access to all our services, including the food pantry and thrift store.

We aim to begin the leasing process on October 1st. If you are interested, please contact Silva Markham Partners at **(303) 835-8181** to join the list of interested individuals. Please note, there is currently no application process.

Additionally, we are seeking financial contributions to help make these apartments comfortable homes for future residents. For donation opportunities, please contact the Silver Line at **(719) 884-2300**.
