

A LANDMARK FOR TRI-LAKES AND SILVER KEY'S MULTIGENERATIONAL FUTURE

We are *deeply grateful* to Monument Community Presbyterian Church, Pastor John, and the congregation for opening their doors to host our current Tri-Lakes Activity Center. *Their generosity allows us to serve elders today as we prepare for our future home.*

A Transformational Gift

Classic Homes has pledged to donate a 2.030-acre parcel – prime land across Jackson Creek Parkway from Monument Junction— as the future site of the **SILVER KEY COMMUNITY CENTER**.

This state-of-the-art, intergenerational hub will unite elders, youth, and neighbors in a vibrant space for wellness, learning, and celebration.

The Vision

- **Elders:** fitness, connection, and lifelong learning
- **Youth:** mentoring that cultivates skills, entrepreneurship, and success
- **Community:** performances, events, and shared experiences

Your Challenge

Classic Homes' gift will be finalized once we raise the funds to build. This effort will be powered by Tri-Lakes community members – people who believe in aging in place and investing in a quality community for generations to come.
