## LOVE WHAT WE DO?

Well, we need your support! Silver Key couldn't do everything we do without the help of our beautiful community.

In order to maximize your tax benefits, please donate to Silver Key **before December 31**. Charitable contributions made to qualified nonprofits may be deductible from taxable income, reducing your total tax owed. If you are age 70½ or older, you may also make a Qualified Charitable Distribution (QCD) of up to \$100,000 per year directly from your IRA to Silver Key. These gifts can be excluded from your taxable income and can also count toward your required minimum distribution, potentially lowering your overall tax burden. **Please consult your tax advisor for guidance on your specific situation.**

FALL  
2025

Dear Friends,

I am delighted to share exciting news about the future of Silver Key — and your chance to be part of a transformational effort in Northern El Paso County.

**Thanks to the incredible generosity of Classic Homes**, a 2.03-acre parcel at Monument Junction, just across Jackson Creek Parkway, has been pledged as the future home of **the Silver Key Community Center**. This extraordinary gift will be realized as we demonstrate the community's support to bring this vision to life.

**Imagine it:** a vibrant gathering place that brings our tagline to life — ***Aging Is All of Us!*** From the youngest to our wisest elders, people of every generation will come together here. This vision is becoming reality as we create Tri-Lakes' very own community hub — ***a lasting gift where neighbors can learn, celebrate, and grow together for years to come.***

This dream is already being made possible through the support of many businesses, organizations, and individuals — including **Classic Homes, Nunn Construction, CU Denver, Monumental Impact, District 38, Monument Community Presbyterian Church**, and many others. While we continue to serve seniors today at our Tri-Lakes Activity Center, generously hosted by Monument Community Presbyterian Church, we are also ***laying the foundation for a permanent home that will serve generations to come.*** Already, more than \$110,000 has been raised in early gifts, a strong sign of the commitment our community feels toward this vision.

***I would love to invite you personally to be part of this transformational effort.*** If you are interested in supporting the Silver Key Community Center — whether through gifts, partnerships, or simply sharing the vision — ***please reach out to me. Together, we can ensure this dream becomes a reality for generations.***

With gratitude,

# TRI-LAKES ACTIVITY CENTER NEW LOCATION!

We are excited to share that our new Tri-Lakes Activity Center is now officially open at **Monument Community Presbyterian Church (238 3rd St, Monument, CO 80132)**! Our recent ribbon cutting was a wonderful success, thanks to the support of our community, the Monument Chamber of Commerce, Monument Community Presbyterian Church, and all who attended. Your generosity, partnership, and enthusiasm made this milestone possible, and we look forward to welcoming seniors into this vibrant new space for connection, activities, and community.

## Thank You for a Successful Ribbon Cutting!

## VOLUNTEER SPOTLIGHT ACTIVITY CENTER SOUTH

*"Got to Get You into My Life" – The Beatles*

Since opening in late 2024, Silver Key's Activity Center South has grown into a lively, welcoming place for older adults to gather. At its heart are 23 incredible volunteers, whose hundreds of hours turned an empty room into a true community. They do it all—greeting guests, giving tours, answering questions, and leading classes and events. Ruben shares culture through Mexican Bingo and Spanish lessons, Roy's humor fills the Bingo room with laughter, and Linda's steady care brings organization and spiritual support. As the song says: "Then suddenly I see you, did I tell you I need you, every single day?" Thanks to them, the center isn't just a space—it's a home filled with heart.

# VOICES OF IMPACT *The Difference You Make*

My name is Betty, and I want to share how Silver Key has made a real difference in my life. As my health started to decline, everyday tasks became harder and harder to manage on my own. Life was getting too difficult, so my family and I decided it was time for me to move into assisted living. It wasn't an easy decision, but we knew it was the right one for my safety and well-being. One of the biggest things I worried about was how I'd get to all my doctor appointments without putting too much pressure on my kids and grandkids.

That's when I found out about Silver Key's transportation service. From the very beginning, it was such a relief. They stepped in and started getting me to and from my appointments without a hitch. The drivers are so kind and respectful, always on time, and they make me feel safe and comfortable.

Now, I don't have to worry about missing important medical visits, and my family feels so much better knowing I'm taken care of. It's helped all of us breathe a little easier.

Silver Key doesn't just give me a ride—they give me peace of mind and help me keep my independence. I'm so thankful we found them.
